Christmas Offering for Haiti
UMCOR is a ministry of The United Methodist Church. UMCOR's work reaches people in more than 80 countries, including the United States. They provide humanitarian relief when war, conflict, or natural disaster disrupt life to such an extent that communities are unable to recover on their own. While UMCOR cooperates with other aid organizations to extend their reach, the most important partners are the people they serve. They believe that successful solutions to emergency or chronic conditions begin with the affected population. UMCOR provides these survivors not only temporary relief but long-term education, training, and support. UMCOR spends 100 percent of designated donations on the projects that donors specify. When UMCOR donors give their time, money, and supplies, they join UMCOR as the hands and feet of Christ. Your designated Christmas Offering for 2016 will go to UMCOR for Haiti Relief. Haiti is still recovering from a devastating earthquake and from Hurricane Matthew. Christmas is Jesus' birthday. What will you give to honor him?
