Wondrous Results...

Require Top Tier Gifts

We need a broad base of support and a few fairly substantial gifts in order to assure our campaign's success.

Now, not everyone is in a position to make one of these top tier gifts (like the ones listed in the charts below). But if you can, do what others can't.

Then watch in awe at the wondrous results that will follow.

FAQ's

Q: How were the priorities of the campaign determined?

A: The priorities for this campaign were determined by our Board of Trustees. The Trustees considered several possible capital projects and determined the proposed projects were high priority projects that would support our efforts to grow by providing vital ministry and radical hospitality to families and children. Walsh and Associates conducted a feasibility study last summer to test the congregation's enthusiasm for the proposed projects. The congregation responded by saying that the proposed projects were very important and those who responded said they were planning or likely to support the projects financially.
