Will All in Favor of a Better Church...

Please Lend Us a Hand?

Lending a hand and volunteering to work on our Capital Campaign promises to be a “hands down” great experience. You’ll get the chance to meet and work with many great people. You’ll also be helping to raise funds for a needed and worthy cause, and you’ll be helping to build an even better church.

It promises to be a good time without taking a lot of time...an effort that will be richly rewarding in many ways and is much easier than you might otherwise think.

So please join the people listed on the back of this flyer; lend a hand and volunteer to help with our campaign. Many hands make for light work and by lending *your* hand, you’ll be helping to assure both a successful campaign and an even better church.
