New LYFE Groups Beginning in September

Signups in Carlson Hall beginning August 13

Last fall, over 100 adults joined in LYFE groups (Live Your Faith Everyday) for study, prayer and mutual support. Meeting in homes, coffee shops, libraries, and at church, we met new people and created community as we read *We Make the Road by Walking* by Brian McLaren. This fall we will be reading *Grounded: Finding God in the World* by Diana Butler Bass and *Speaking Christian* by Marcus Borg. Scripture and themes from our study will be reflected in the Sunday worship services.

Faithfully Responding to Climate Change

A Respectful Conversation

Wednesday, August 16 at 6:30pm in the Art Gallery

In these politically charged times, it is easy to fall into an 'us' and 'them' mentality, yet we know that the way forward in this, and any time, is to be able to listen well and to work together. This deep listening and respectfully responding is also a cultural value of our faith communities. We invite you to a Respectful Conversation on climate change. The Respectful Conversation will be facilitated by a trained staff member of the Minnesota Council of Churches. Reservations will be taken at Bit.ly/RegisterRCP. A light meal will be served and the event is free.

Join Summer Choir

Construction Update

The asbestos abatement work on the First Floor of the Education Wing will be completed on Monday 7/17.

After asbestos abatement crews moved out of the Lower Level of the Education Wing, demo has been underway. In the Kitchen, everything has been cleared out and all the utility services have been disconnected.

Exterior work is still scheduled to begin next week. Work will start on the North face of the church (outside the main Narthex door) and then work toward the South.

Note: The restrooms on the Second Floor of the Education Wing are serviced by the same utility lines as the two sets of Education Wing restrooms that are under construction. This means usability of the Second Floor Education Wing restrooms will be intermittent throughout the project. There is a men's and a women's restroom located on the opposite side of the Art Gallery. Handicap accessible restrooms are located on the West side of the Sanctuary (near the lift), in the Narthex and the restrooms behind the Social Hall. **View more photos: haumc.org/photos/**
