Redeeming God, you bring life out of dead ends, and hope in the midst of despair. Forgive us for doubting that you are still at work even in the darkest hour, even in the most painful moments. Forgive us for our hesitant action, our cautious compassion, our too-frequent reluctance.

**Redeeming God, teach us a stillness that leads to acts of kindness and clarity of vision. Shape in us a trust that leads to faithful witness and bold compassion. Form us in your love that loosens our worry and eases our anger. Make us true disciples filled with love, acting with justice, and living out hope.**

# SHARE HOPE THIS EASTER

by supporting Hennepin's Outreach Ministries  
with your generous gift

Hennepin's Outreach Ministries are wellsprings of hope to people in need here in our neighborhood and around the world. Our Outreach Ministries focus on four key areas of service:

**Housing** - At The Dignity Center, a team of compassionate volunteer advocates walk every step of the way with people experiencing homelessness as they navigate the path of stability.

**Opportunities for Employment and Education** - Job counseling at The Dignity Center, annual school supply drives, sponsorships of students in West Africa, and our partnership with the Minnesota Internship Center (MNIC) charter high school are just some of the ways we provide opportunities—and hope.

**Plenty of Food** - Through Community Meals, Sunday Brunch, MN FoodShare, and Beans for Baiwalla, we share the blessings of plenty through food and fellowship. We feed body and soul from here to Sierra Leone!

**Environmental Sustainability** - Creation Care is a social justice issue close to the hearts of the Hennepin Community. Watch for our electric car charging stations, coming soon!

Your Easter Outreach Offering helps to heal a broken world. Thank you for giving generously to support Hennepin's Outreach Ministries.

# Green Faith

## Mobilizing God's People to Save the Earth

A 9-week worship series starting April 28,  
based on a book by Fletcher Harper.

This spring and summer, you are invited to confront global climate change from a faith perspective during our 9-week series focusing on Green Faith.

Using the book *Green Faith: Mobilizing God's People to Save the Earth* by Fletcher Harper as our guide, the Hennepin community will explore how “God is calling us to live differently” in the age of global climate change. We will explore how we can and must take action to protect Creation, reconnect to nature-based spirituality, and commit more fully to environmental justice.

Every Sunday, you will hear Green Faith-themed sermons on topics like “Many Faiths, One Earth,” “The Pale Blue Dot,” and “Our Kairos Moment.” Throughout the series, we’re hosting events and programs to explore Green Faith through art, film, music, food, discussion, and more.

Spend the season deepening your Green Faith at Hennepin. Here’s some of what’s to come:

---

### **Movie & a Meal: *First Daughter and The Black Snake* + Dinner by The Sioux Chef**

**Saturday, May 4 | 4:30-8:30pm**

**Tickets at [hennepinfirstdaughter.eventbrite.com](https://hennepinfirstdaughter.eventbrite.com)**

You don’t want to miss this extraordinary chance to celebrate film, food, and environmental justice with luminaries of the Minnesota art & activism community.

This event begins with a screening of *First Daughter and The Black Snake*, the riveting documentary by filmmaker **Keri Pickett**, which follows the efforts by **Winona LaDuke**, famed Native American environmentalist, former Green Party Vice-Presidential candidate, and

executive director of Honor the Earth, in her battle to stop development of several pipelines that would cut across Indian reservations in northern Minnesota, jeopardizing food and water sources for the Ojibwe tribes living there.

Following the movie, you'll enjoy a buffet dinner catered by Sean Sherman, The Sioux Chef, and then have an opportunity to interact with both Keri and Winona, as they share the passion of filmmaking and indigenous culture preservation.

4:30 Film Screening

6:30 Buffet Dinner catered by The Sioux Chef

## **Faith to Save the Planet: An Evening with Brian McLaren + Environmental Activists Panel Sunday, May 12 | 7-9:30pm**

**Tickets at [hennepinmclaren.eventbrite.com](https://hennepinmclaren.eventbrite.com)**

Hennepin Avenue UMC will host a free evening event on responding to climate change from a faith perspective with Brian McLaren. With writing heralded by the New York Times as “Provocative and powerful,” McLaren is a passionate advocate for “a new kind of Christianity” around issues such as climate change. He reminds us that “Global warming is a matter of science, economics, and politics, but it is a spiritual, moral, religious issue - a matter of the head but also the heart, and we who are people of faith must acknowledge that we need to be part of the solution.”

McLaren will moderate a panel of local leaders who are helping Minnesotans respond to the worldwide challenge of climate change through science and faith. Panelists include:

**Mark Seeley**, climatologist; retired University of Minnesota professor

**Kelly Sherman-Conroy**, Minister of Social Justice & Advocacy, Nativity Lutheran Church

**Halston Sleets**, board member of the Minnesota Center for Environmental Advocacy

**Alina Yaman**, pipeline resistance coordinator, Minnesota Interfaith Power & Light
