

# YOUR LOVE LETTER FROM GOD

Dear \_\_\_\_\_,

Have you ever felt alone, like Jesus did that night? When you feel like that, I want you to remember something very important. You are never alone. I am always by your side. Those soldiers might have taken Jesus away from the garden, but they could never take him away from me. And there is nothing that can ever take you away from me either. Remember this promise... I am always with you.

Love,  
GOD
