

# ZACCHAEUS - A WEE LITTLE MAN

## SUPPLIES YOU WILL NEED:

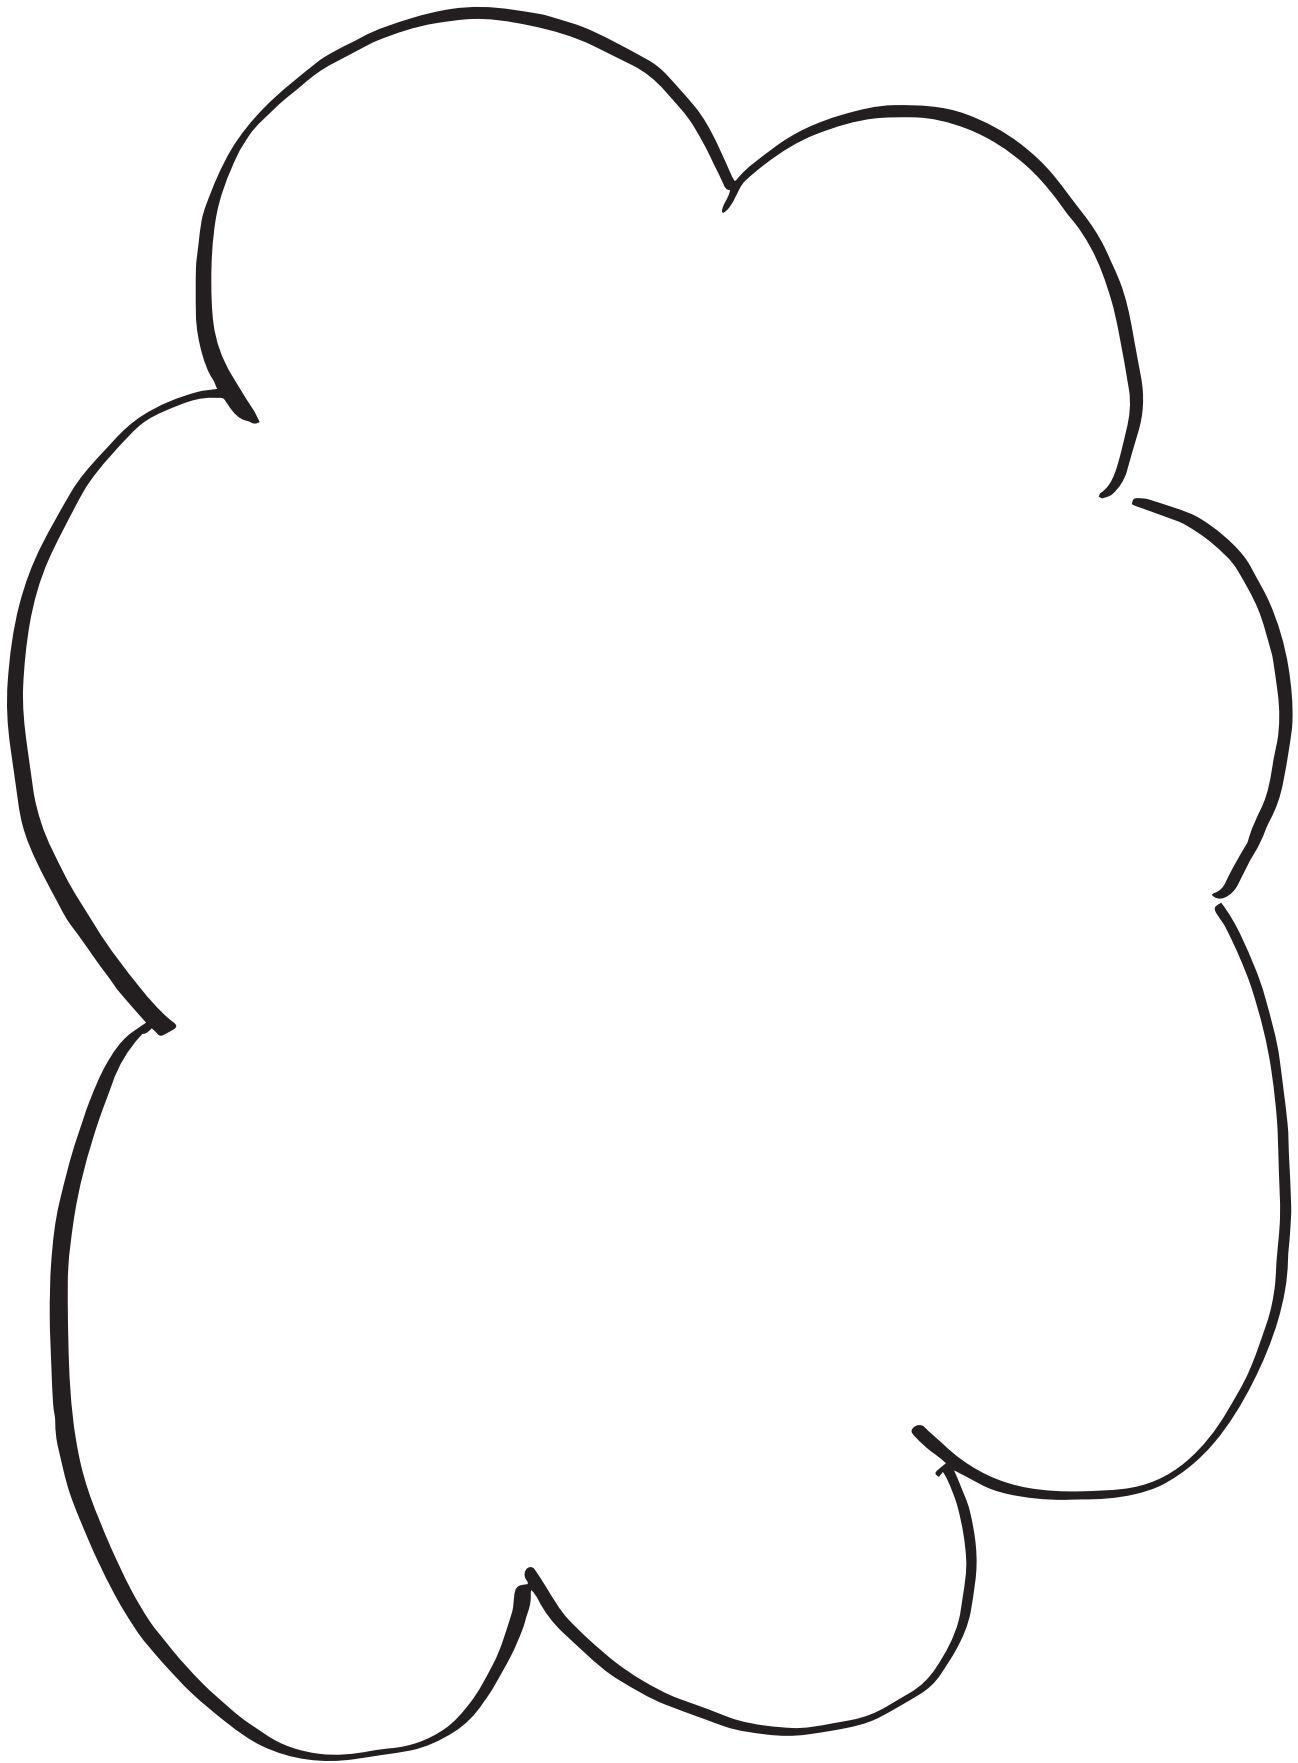

- crayons or markers
- safe scissors
- green construction paper
- brown construction paper or thin cardboard
- tape or glue stick
- string or yarn

## STEPS:

- 1) Color the figure of Zacchaeus below, and cut out.
- 2) Draw a tree top on green construction paper, and cut out. You can also use the tree top template on page 2, color the tree top, and cut out.
- 3) Draw a tree trunk on thin cardboard or brown construction paper, and cut out. You can also use the trunk template on page 3, color the trunk, and cut out.
- 4) Tape or glue the two parts of your tree together to make your tree.
- 5) Punch a small hole in the green tree top, but first put a piece of tape on the backside where your hole will go. This will help strengthen the paper so it doesn't tear. Thread the string or yarn through the hole.
- 6) Take Zacchaeus and tape the other end of the string to the back of him. Have fun moving Zacchaeus up and down the tree!
