

GUIDING QUESTIONS FOR THE PROJECT

- How can we make the website as easy to use and navigate as possible?
- How can we make the website work for us? (Lightest lifts while being beautiful/informative/useful)
- How can we make the website as accessible as possible within our financial means?
- How do we organize content so that our strategic initiatives and guiding practices are front and center in the website narrative?

COLLABORATION

Our website goal is to accurately, beautifully portray ministry and community at Hennepin Avenue UMC. As Ministry leaders, you are our experts and collaborators in this process. We want to create a tool that works for you and our community. The pages listed below are some pages we will need your help with!

- New Outreach Director - Outreach
- Mark & Jonathan - Worship & Fine Arts
- Keesha & Leslie - Family Ministry
- Laura - Adult Nurture
- Patrick - Service
- Laura & Judy - Clergy
- Brian & Philip - Finance
- Peter & Glenna - Operations
